Dress Code: Academy of Dance does adhere to a strict dress code. Please see the detailed list of your groups specific color and style of leotard and tights. This enables our teachers to be able to watch your child to make sure they are using correct posture and body alignment. Students must have their hair in a bun or in an elastic band. Hair should be neatly back and off of their face. We don't want the hair to be a distraction or disruption when concentrating in class. Your child will not be allowed to participate in the class if they don't respect these rules. It is important for the students to learn proper dance studio etiquette.

Shoes: All students are required to have the proper shoes needed to participate in each subject. Please see the detailed list of shoes by class. The director will determine the color of the shoes for the Showcase. In some cases you may have the option of spraying the shoes for the Showcase or purchasing new ones. Intermediate and Advanced students may need character shoes for certain routines.
